- 30 Students return

DECEMBER

- 1 Classes resume
- 5-7 Boy Scout Troops 18 and 218 and Explorer Post 18 camporee
- 10 Gallaudet Day, High School assembly
- 19 High School drama classes, drama performance, "The Prince and the Pauper", Social Hall, 1:45 p.m.

The Cover: The cover was designed by Catherine Bartlett, experimenting with pencil on coquille board to get the interesting grainy effect.

Administrative Changes . . .

Top to bottom: Mr. Carl Barber, Assistant Principal, High School; Mrs. Nyda Boyer, Principal, Elementary School; Mrs. Mary Lobherr, Principal, Unit I, DMHU; Mrs. Pat Batchelder, Principal, Junior High School.

Mrs. Mary R. Lobherr **Principal—DMHU, Unit I**

Mrs. Lobherr became principal of the Deaf Multi-Handicapped Unit I in September, 1975. She has been employed at California School for the Deaf, Riverside for the last nine years. The first four years of her employment she worked as a dormitory counselor. She was a teacher in the Deaf Multi-Handicapped Unit I for five years.

Mrs. Lobherr is married and the proud mother of a beautiful four-and-a-half month old daughter, Megan Anne.

Mrs. Lobherr is a native New Yorker. She moved to Riverside with her family in her junior year of high school. She was a graduate of St. Francis de Sales High School. She received her A.A. degree from Riverside City College and her B.A. from California State University, Fullerton. She received her training to teach the deaf at California State University, Los Angeles.

Mrs. Patricia M. Batchelder **Principal—Junior High School**

Mrs. Batchelder is the new principal of the Junior High School. She taught in this school from 1957 to 1960. After three years in the San Francisco Bay area she

returned to CSDR and has been teaching here in the Elementary School, Junior High School and High School.

Mrs. Batchelder's original interest in teaching the deaf came as a result of her interest in CSDR while attending the University of California, Riverside. She received her B.A. from U.C.R. and earned her teaching credential through the graduate study program at California State University, San Francisco. Currently she is enrolled as a graduate student in the Department of Education Administration-Supervision and Higher Education at California State University Northridge. She has been active in curriculum development at this school, having participated in the language curriculum development workshop and the DISTAR instructional language workshop.

Mrs. Nyda Boyer **Principal — Elementary School**

Mrs. Boyer came to CSDR in February, 1968, as a classroom teacher in Elementary School. Prior to coming here, Mrs. Boyer had worked at the John Tracy Clinic, the Columbus Speech and Hearing Society in Columbus, Ohio, and at Crest Haven School in Riverside, she has also taught hearing children on the junior high school

level at the Marlborough School for Girls in Los Angeles for several years.

Mrs. Boyer received her B.A. from Occidental College and trained to teach the deaf at the John Tracy Clinic in affiliation with the University of Southern California.

Mrs. Boyer is married with one teenage daughter. Her daughter, Penny, is a junior at Poly High School.

Mrs. Boyer was the Assistant Principal for two years prior to becoming the Principal of Elementary School in September, 1975.

Mr. Carl Barber

Assistant Principal, High School

Mr. Barber became assistant principal of High School in November, 1974. Prior to that he was on the teaching staff of the High School in the mathematics department.

Mr. Barber became deaf at the age of six from spinal meningitis. He attended

the Georgia School for the Deaf and went on to Gallaudet College, from which he graduated in 1948.

In the fall of 1948 he started his teaching career at the North Carolina School for the Deaf in Morganton. At the same time he served as a dormitory supervisor, and the next year he served in the same capacity. During his last three years at that school, he was on the athletic staff for all sports, in addition to his regular academic work.

In August of 1954, he bid North Carolina farewell and moved to Riverside. His first classroom was the room that is now used by Mr. Gerald Petersen for the vocational guidance and work experience programs.

Besides his teaching duties at CSDR, Mr. Barber has served as scoutmaster, coach of varsity sports, class sponsor and Jr. NAD advisor.

The past summer Mr. Barber attended classes at California State University in Northridge. He is working toward a Master's degree in administration.

New Personnel in Special Services

Mrs. Margaret Eaton

Psychometrist

Mrs. Eaton was born in Newport News, Virginia. She has lived in California for the last twenty-one years. She graduated from UCR with a B.A. in psychology, earning sixty units past her degree. She has a standard elementary teaching credential with a minor in deaf and hard of hearing. She volunteered for tutoring in DMHU, and worked with some children in Project Life. Then she was hired as a full-time teacher in DMHU, where she has taught for four years. She is currently working on her masters in educational counseling at CSUF (Fullerton).

Miss Deirdre Ann Hestand

Educational Consultant

Miss Hestand was born in Evansville, Indiana and raised in Grand Rapids, Michigan. She graduated from Western Michigan University in Kalamazoo, Michigan with a B.A. and a M.A. in special education.

Miss Hestand has taught the emotionally impaired, learning disabled, trainable mentally impaired, educable mentally im-

paired, multihandicapped and has worked as a resource room teacher. She has also worked as a special consultant for special education services, been a social worker, a foster parent for emotionally impaired children, a supervisor at a home for juvenile delinquents and a supervisor of parent training groups and home management programs.

During the coming year she will be working with the Elementary, Junior and High School faculty and student body. As educational consultant she will be working with the staff to develop and implement educational and behavioral programs to meet the needs of individual students. She hopes to be able to work with not only the teaching staff, but also the counselors, parents and all the others who are an important part of our students achieving a successful school year.

Ms. Sharman Weiner

Media Specialist

After completing an internship in the Instructional Media Center at CSDR, Ms. Weiner returns this school year to take on her official role as Media Specialist. A native of Massachusetts, she obtained her

Front row (left to right): Mrs. Peggy Eaton, Psychometrist; Ms. Sharman Weiner, Media Specialist. Back row (left to right): Miss Deirdre Heston, Educational Consultant; Mr. Arthur Montoya, Guidance Counselor; Mr. Gerald Peterson, Work Experience Coordinator.

B.A. and M.ed. degrees from the University of Massachusetts.

During the past 3 years Ms. Weiner has been involved in many activities centering around the deaf community. As a former part-time employee of the N.E. Regional Media Center for the Deaf, she participated in the field-testing of TV-phones in the northeast, in the implementing of staff development programs at various schools for the deaf, and in the production of a national in-service program on deafness for public school teachers. After receiving a certificate from the NTID Interpreters Training Program in 1972, Ms. Weiner became a classroom interpreter and sign language instructor at University of Massachusetts. In her spare time, she enjoyed working as a lab assistant in the zoology department, as a housemother in a sorority, and as a member of a women's honor society.

Arthur A. Montoya Guidance Counselor

Mr. Arthur A. Montoya has been chosen to head CSDR's new high school guidance and counseling program. The program will be involved with the personal, social and psychological needs of the students. Mr. Montoya, an accomplished trilingualist (Spanish, English, sign language), has a rich and varied background. Prior to assuming his present role, he was CSDR's

school psychologist for three years, serving Elementary, Junior High and High School.

Mr. Montoya taught at the high school level in Wisconsin, New York, and Chicago. He taught at the college level at Gallaudet College, Washington, D.C., and at the graduate level at the University of Tennessee and the University of Puerto Rico. In Puerto Rico, Mr. Montoya was visiting professor and coordinator of a summer institute on deafness. One of his courses (in Spanish) was the precursor of the Total Communication concept in Puerto Rico. At the New York State School for the Deaf he was chairman of the English department and also the guidance counselor. At Gallaudet, he was head of the mathematics branch of its tutorial center. At the University of Tennessee he taught orientation to and psychology of

deafness courses.

Mr. Montoya received his B.A. degree from Gallaudet where he majored in the education of the deaf and minored in English and philosophy. He received his M.S. in education from the State University of New York with his studies being in the areas of guidance, counseling, psychology, research and anthropology.

Gerald A. Peterson Work Program Coordinator

At the beginning of the 1974-75 school year Mr. Peterson, former electricity-electronics instructor in the Vocational Department, was appointed to the position of Work Program Coordinator. As Work Program Coordinator, he has the responsibility of providing on-the-job training experiences in local business and industry for selected students through supervision and coordination of the Work Experience Program. He also assists graduates find and maintain suitable employment by providing pre and post graduate counseling. In an effort to better prepare students for the "world of work", Mr. Peterson is further responsible for providing occupational guidance and counseling on a group and individual basis for the purpose of helping students select realistic occupational goals based upon training, interest, and ability. Mr. Peterson's office is now located in the Guidance Center of the "P" building.

New Teachers

CSDR

Mr. Dan Castle

Mr. Castle was born in Long Beach, California. He is the son of deaf parents. He has been signing since he was one, and he has interpreted at California State University, Northridge for five years. He received his A.A. from Santa Ana College, his B.A. in sociology from CSUN and his M.A. in deaf education from CSUN. He has his Comprehensive Skills Certificate from the Registry of Interpreters for the Deaf (RID). He has been visiting CSDR for six years, hoping to be a teacher here someday.

Mr. James Cline

Mr. Cline was born in Denver, Colorado. At an early age he moved to Honolulu, Hawaii, where he went to an integrated hearing-impaired program. He graduated from Roosevelt High School there in 1967. He attended Pierce College in Woodland Hills, California for two years. He then went to California State University, Northridge, where he received his B.A. in sociology in 1972. He recently completed his M.A. in special education, area of the deaf, also at CSUN.

Miss Melody Hess

Miss Hess is a new teacher in Elementary School. She went to California State University at Fresno. She did her practice teaching in Merced, California, and at CSDR. She worked with Mrs. Gates' class last spring.

She was born in Healdsburg, California. Her family lives in Chino. She has two older sisters. She is very friendly. She likes to work with deaf children.

Stacey Ann Musgrove
Class O

Mr. Donald Olinski

Mr. Olinski was born in Indianapolis, Indiana and has lived in California for eight years. He is married and has no children.

He attended California State University, Los Angeles for his undergraduate work. His major was history and his minor was industrial arts in the area of wood.

He attended California State University, Northridge where he obtained his Masters

in the area of education of the deaf and hard of hearing.

His interests are wide and varied but he especially enjoys fishing and wood work of all kinds.

New Counselors

CSDR

Miss Deborah Jo Fishler

Miss Fishler was born in Ketchikan, Alaska but has lived in Riverside for most of her life. After graduating from Poly High School in 1971 she attended UC Riverside for one year. She spent the following year in Vancouver, British Columbia at Simon Fraser University. She is now attending UCR working towards a degree in art and art history. She was a student-aide at CSDR during the past two years, first in Sierra III and IV in the DMHU and then in Rubidoux II.

Ms. Beverly Greer

Ms. Greer was born in Denver, Colorado and moved to San Diego, California when she was three years old. After attending two public schools, she enrolled at the California School for the Deaf, Riverside in 1959, and graduated in 1968. She attended Riverside City College for one year and then transferred to Gallaudet College where she majored in sociology-social work and received her Bachelor of Arts degree in 1974.

Ms. Greer started her work career at the Arizona State School for the Deaf and Blind at Tucson and is now employed as a counselor here at the California School for the Deaf, Riverside, and works with the High School boys. Eventually she hopes to become a social worker for the deaf.

Mr. Don Hawkins

Mr. Hawkins was born in San Bernardino, California and graduated from San Bernardino High School. He graduated from San Bernardino Valley College with a major in music.

He studied public administration and law at the University of Southern California and at Antelope Valley College. He also attended Cal State Long Beach, and the University of Redlands.

He started work at CSDR in 1973 as a janitor, and he became a counselor at CSDR in September, 1975.

New Teachers CSDR

Top row (left to right): Mr. Gene Duve; Miss Marilyn Jost; Ms. Patty Chatfield; Mr. Tom Colasuonno

New Counselors DMHU

Rick Haag, Supervising, Instructional Counselor; Mrs. Audrenne Bernstein; Jim Schmid

Mrs. Alice Joan Kurs

Mrs. Kurs was born in New York City and attended New York School for the Deaf (Fanwood). She attended Gallaudet College receiving a B.S. degree in library science in 1973. She was a research assistant for the Associate Dean for Research at Gallaudet, a part time library assistant at the Edward Miner Gallaudet Library. When her husband received a job offer as a teacher in the Deaf-Multi-Handicapped Unit, the Kurs moved to California. She did volunteer work as an instructional aide at Taft Aurally Handicapped School in Santa Ana. She is presently working in Pachappa II with Elementary School boys.

Ms. Nancy Rogers

Ms. Rogers graduated from this school (CSDR) in 1965. She went to Gallaudet College for a year before going on to RCC where she received an Associate Degree in business arts. After getting her degree, she went to NTID for three years and received a Bachelor's Degree in social work in 1974. While attending NTID, she worked at the Rochester School for the Deaf in New York as a counselor for four years.

Her husband, Edward Rogers, is also a graduate of CSDR and they have a daughter Kristi who is two years old.

New Counselors DMHU

Mr. Rick Haag

Supervising Instructional Counselor, Unit I

Mr. Haag originally started working at CSDR as a student aide in 1970. He graduated from the University of California at Riverside in 1971 with a B.A. degree in social sciences, specializing in psychology and anthropology. He then joined the CSDR counseling staff full-time and worked in Lassen I, Lassen II, and Rubidoux I. In 1972 he became an Instructional Counselor and over the next three years worked in Pachappa I, Lassen II, and Rubidoux I. Rick and his wife, Pam, live in Riverside and hope to stay here for a long time.

This year Rick joins the staff of Unit I of the DMHU as the Supervising Instructional Counselor.

Mrs. Audrenne Bernstein

Mrs. Bernstein was born in Portland, Oregon and her family moved twice during her childhood years. Once to California and the other time to Arizona. Upon her graduation from high school, she attended Gallaudet College and earned her A.A. degree in supervision in schools for the deaf.

Before coming to CSDR, she was a Instructional Aide for the Riverside County Program. She held this position for seven years. She has one daughter, 15½ and one son, 13 who attends this school.

Mr. James Schmid

Mr. Schmid was born in Amarillo, Texas on May 5, 1955. His father was in the Air Force and he traveled a lot as a child. From Texas they went to Germany then England; Lincoln, Nebraska; France; Travis A.F.B., California and then Riverside.

Mr. Schmid graduated from Ramona High School where he was a very active participant and fan of athletics. He is now attending Riverside City College for his fifth and final semester.

Ms. Arlene Shults

Ms. Shults is a native of San Diego and graduated from the California School for the Deaf at Berkeley. She continued her education at Gallaudet College where she earned a B.S. degree in physical education. Upon her graduation from Gallaudet she spent ten years as a recreational supervisor at the Ohio School for the Deaf. Most recently she was employed for two years as a teacher of mentally retarded deaf children at Pacific State Hospital in Pomona.

New Teachers DMHU

Miss Patty Chatfield

Miss Chatfield is starting her first year of teaching in Unit I of DMHU. She is originally from Fresno, California and she graduated from the California State University at Fresno. In June she received her credential and M.A. in deaf education. She is looking forward to a great year. She team teaches with Mrs. Betty Witzcak and Miss Pam Rich in the Assessment Room.

Mr. Tom Colasuonno

Mr. Colasuonno, new to Unit I of the DMHU came to us from New York City. He attended Herbert Lehman College of the City University of New York from which he received a degree in behavioral psychology. Professional training in teaching the deaf followed at Western Maryland College. Prior to his appointment here at CSDR he has worked in programs in New York at St. Joseph's School for the Deaf, Lexington School for the Deaf, and in the Nassau BOCES experimental program for multihandicapped deaf.

Mr. Gene Duve

Mr. Duve was born deaf in October 1949. He has three deaf brothers, one hearing sister, and hearing parents.

He graduated from the Texas School for the Deaf in May 1968. He went to Gallaudet College and graduated with a Bachelor of Arts degree in mathematics in May 1973. He received his Master of Arts degree in special education, area of deafness, last June from California State University, Northridge.

Mrs. Joni Greathouse

Mrs. Greathouse received her B.A. from Gallaudet College and her M.A. from California State University, Northridge. She taught for two years at the New Mexico School for the deaf and four years at Taft Aurally Handicapped Program in Santa Ana.

Miss Kaye Higgins

Miss Higgins is a first year teacher in the DMHU Unit I. She is very excited about working here and really enjoys the unit.

Miss Higgins graduated from California University at Fresno. She has a B.A. in communicative disorders and a restricted credential in deaf and hard of hearing.

Miss Marilyn Jost

Miss Jost graduated from California State University with a B.A. in communicative disorders. She completed her requirements for the restricted credential for deaf and hard of hearing in 1975 at Fresno. Miss Jost is now working on her Master's project which is to develop a camp program for the hearing-impaired at a YMCA summer camp for hearing children.

In Memoriam

Geron Hann

February 18, 1957 - October 10, 1975

The faculty and students of the High School were saddened to learn that one of our students, Geron Hann, was killed in an automobile accident on his way home from school on Friday, October 10th.

Geron first entered CSDR in 1962 as student in the Lower School. He remained at CSDR through Elementary School, Junior High School, and into High School. At the time of his death he was a Junior and would have graduated in 1977.

Geron was a quiet, serious student who made the honor roll for three of his four semesters in the High School. His teachers felt that he was eager to learn, cooperative, and completed his work in a neat and accurate manner.

Geron was friendly with his fellow students in the classroom and in the dorms. He had a good sense of humor that made him popular with both students and staff members. He had many close friends.

Geron was active in sports, especially wrestling. He was a member of the wrestling team in both his freshman and sophomore years. He earned his varsity letter during his freshman year and was a member of the Lettermen's Club. He also was on the Frosh-Soph track team his freshman year.

In addition to scholastic and athletic achievements, Geron was active in other organizations. He was an active member of the Junior Class, the Explorer's Post, and the Junior National Association of the Deaf.

Geron was buried in 29 Palms on Tuesday, October 14th. Student representatives from Geron's homeroom, the Student Body Government, Junior Class, Lettermen's Club and the wrestling team, as well as faculty and dormitory staff personnel, attended the funeral.

Bill Cross Retires from California School for the Deaf, Riverside

Wilburn (Bill) Cross, Chief of Plant Operation at CSDR, retired on October 1, 1975 after being in state service for over 22 years. Many fine contributions to the physical plant of this school were made by Mr. Cross who was highly valued as a doer and as a person knowledgeable in the fields of construction and maintenance.

Bill was born in Rolla, Kansas, a thriving community of 300 people, and he moved with his family to Colorado at an early age. His family moved back to Rolla for a short time and then moved to Ontario, California where Bill completed junior high school. Once again the call of Kansas brought the Cross family to Rolla where Bill completed his freshman high school year. Finally, the irresistible lure of California brought Bill back to Ontario where he completed high school. He then took a variety of courses at Chaffey College, Orange Coast College, Riverside City College, and the Pomona Adult School. Cars, especially hot-rods, interested Bill very much and he tore down and rebuilt several of them. He also found time for horseback riding, golf and machine working. In addition to his college courses he read technical books about chemistry, electronics and blue prints. In school he pursued his interest in refrigeration and air conditioning which have been his specialties ever since.

As a teenager Bill liked driving and almost quit school to drive a big semi rig. Because he could not afford the union dues at the time, he did not make a career of truck driving.

One of his first jobs was in a citrus by-products plant where he worked in positions ranging from shipping clerk in the warehouse to lubrication technician in the processing plant.

Bill entered the service in 1941 assigned initially to aviation ordnance at the Aberdeen Proving Grounds in Maryland and Victorville, California. After being transferred as an infantry replacement, he was discharged as a sergeant in 1945.

Bill began his state service in 1953 here at the California School for the Deaf, Riverside. In 1957 he transferred to Fairview State Hospital and in 1959 he went

to Porterville State Hospital on a promotion. He then went to the California Youth Authority as a Chief Engineer. He returned to CSDR in 1964 where he served as Chief of Plant Operation until his retirement on October 1, 1975.

An avowed bachelor in his teens and twenties Bill finally renounced this status and married his wife Mary. He had known Mary ever since he was nine years old because Mary's uncle was married to Bill's aunt.

Mary and Bill will live in a home they purchased in Hemet. As to the future, Bill plans to make journeys into remote areas with his 4-wheel drive vehicles and do other things he has always wanted to do. For example, he wants to continue his piano lessons which he started as a boy.

We wish Mary and Bill much happiness in their new life style.

Bernard P. Garcia Retires

When November first arrives, CSDR will lose a fine counselor and trusted friend on the retirement of Mr. Bernard Garcia.

Mr. Garcia is a native of Mexico. He began his schooling there and continued his education when he came to Riverside in 1923. He attended R.C.C. which at that time was known as Riverside Junior college.

Mr. Garcia is an ardent sportsman. He has played professional baseball with the Seattle, Washington Rainiers and semi-professional football with the Ontario Hot-Points. He was also a golf professional with the Victoria Country Club in Riverside and at the Lakewood Country Club near Long Beach.

In 1943 Mr. Garcia entered the service and spent the next three years in the South Pacific as a sergeant in the 37th Division of the United States Army. In 1946 he joined the California Youth Authority and eventually became chief counselor at Juvenile Hall.

Mr. Garcia came to CSDR in 1957 and has worked mainly in the Palomar area. He has assisted with 18 graduating classes and has seen many of our boys and girls go on to greater endeavors.

After his retirement Mr. Garcia plans to continue playing golf and to pursue his hobby of making furniture and woodwork. He is married and has one son, five daughters and 14 grandchildren.

California School for the Deaf, Riverside

Volume 21 October, 1975 Number 1

Members of Faculty Attend International Congress on Education of The Deaf in Tokyo

Six members of the CSDR faculty attended the International Congress on Education of the Deaf in Tokyo, Japan, August 25-29, 1975. Two were accompanied by their wives, and one teacher by her mother. Those attending were: Dr. and Mrs. Richard G. Brill, Mr. and Mrs. Howard H. Rahmlow, Eileen Querio, Lynn Davidson, Mrs. Sue Schoenmann and her mother, Mrs. H. Holloway, and Hiroko Komori.

All but Miss Komori traveled in a group organized by the Council on Education of the Deaf visiting Manila, Bangkok, Hong Kong, Kyoto and Hakone before Tokyo. There were opportunities to do a lot of sightseeing and to visit schools for the deaf in all of these places except Hakone, which is a mountain resort.

Daisy Slagle, a 1970 graduate of CSDR, is a teacher in a school for the deaf in the Philippines. She is there as a Peace Corps volunteer. Dr. and Mrs. Brill visited her school and had dinner with Daisy and other members of the faculty and parents of children enrolled in the school in Manila.

The International Congress had a total registration of 2,300 people of whom about 1,900 were Japanese. About 160 were from the United States. The program was extensive and interesting with translating carried on as at the United Nations. There were educators of the deaf registered from 32 countries.

The opening ceremonies were very impressive with one of the welcoming

addresses being made by His Imperial Highness, the Crown Prince of Japan, who was there with the Crown Princess.

Dr. Brill had the opportunity of chairing the section which established the procedure for selecting the next host country for the International Congress and was appointed to the International Committee of eight to make that selection. He also had the opportunity of reporting to the final plenary session of 2,000.

The CSDR representation of six members of the faculty was probably more than any other school in the United States with the possible exception of Gallaudet College.

Dr. Brill Chairs Meeting in Florida

Dr. Richard G. Brill, Superintendent of CSDR, attended a meeting in Tallahassee, Florida on Oct. 12-14. He served as Chairman of a panel which took testimony and reviewed proposals and made proposals and recommendations in regard to the state-wide plan for the education of the deaf in the state of Florida.

Action News 8

The CSDR television production, Action News 8, made its initial broadcast on October 10th in the High School. This addition to our educational program is a part of the Library-Media Services Department.

Ten classrooms have TV sets. Students gathered in those rooms to watch the TV news and the "One-to-One" interview during the odd-numbered class periods. The TV news broadcast was channeled to the classrooms from the CSDR TV studio.

A High School senior class is taking a course in television production as an elective subject. Judith Beau and Cheryl Millwee were the newscasters with Phillip Weishar, the sports commentator. The first "One-to-One" interview featured Dr. Brill, who answered questions on his trip to the Orient. The cameramen were Randy Dyer, Robert Woodard, and Helen Beckstead. John Carpenter was the floor manager.

Action News 8 was under the supervision of Mr. Strahan, our Educational Television Specialist with Ms. Weiner assisting him.

G. Burstein, Coordinator
Library-Media Services

Elementary School

NEW STUDENTS

Class A

We have four new boys and two new girls in Class A this year. Monica Moreno is five years old. She lives in Los Angeles. Jan Lepisto is five years old. She has a sister, Linda, in High School. Jan lives in Chino. Kenneth Mayes is six years old and is from Bakersfield. John Knight is six years old. He lives in Sylmar. Fred Weiss is five years old and lives in Los Angeles. Fred has two brothers, Norman and David in Elementary School. Theadry Cager lives in Los Angeles and is five years old.

Class B

There are three new children in Class B.

Dennis Crivelli from South Gate has attended Marlton School.

Shelly Ann Fishburn from Carson has attended White Point and Marlton schools.

Kathyna Gomez from Los Angeles has attended the Mary E. Bennett school.

Class C

We have a new girl in our class. Her name is Betty Jane Gurwell. Her home is in Chino. She went to CSDR's preschool program. We are happy to have her with us.

Class E

Class E has three new girls. Josephine Archuleta, nine years old, is from Riverside. She previously attended school in Covina. Heidi Blackwell, nine years old, is from Wilmington. She went to school in Lakewood before coming to CSDR. Donna Washington, whose home is in Los Angeles, will soon be nine years old. Donna previously attended school in Los Angeles.

Class G

There are three new students in Class G. Their names are Dorene Higgs, Kelly Jenkins and David McClellan.

Dorene is nine years old and lives in San Diego. She went to the California School for Deaf in Berkeley before coming to CSDR. She has one brother and three sisters. She has a twin sister in the DMHU.

Kelly is ten years old and lives in Canyon County. She attended the San Marino School in San Marino, California, before coming here. She has one sister.

David lives in Monrovia. He is ten years old. He went to the Anderson Elementary School in San Diego before moving to Monrovia. He has one sister. His stepfather is a policeman.

Class H

Class H has one new girl. Her name is Bessie DeVenny. Bessie has two brothers, Dean and Larry who attend Elementary School at CSDR. Bessie lives in Long Beach.

Class I

Two new boys are in Class I. Their names are Nicholas Green and William Sumrall.

Nicholas will be ten years old October 27. He lives in Long Beach.

William will be ten years old October 24. He lives in Inyokern.

Class J

Class J has two new students this year. Robbi Hunt comes to us from Bakersfield. He is eleven years old. He has two brothers. Dominic Vera attended Mary E. Bennett before coming to CSDR this year. He is eleven years old. He has a brother and a sister. His home is in El Sereno.

Class K

Class K has two students this year. They are Don Adamson and Joe Martinez. Don is ten years old. He was born in Virginia. His home is in Ontario. Joe is ten years old. He was born in Van Nuys and lives there.

Summer Vacation

Curtis Whiteley had a very busy summer. He went to camp two times. He went to Sea World, to the zoo, and to the beach. He learned to ride a horse. He learned to water ski, too.

Devin Barnes went to camp. He went for long hikes.

Shannon Rose went swimming every day.

Steven Arballo went to Universal City. He liked the cowboy show and the ride on the tram.

Lisa Hernandez and her mother went shopping. Lisa bought many new clothes.

Anna Gonzales went to Disneyland.

Charles Barham visited his friends. They have many pets.

Library

November 17-21, 1975

Parents, relatives and friends are invited

Deaf Multi-Handicapped Unit

Living Skills Program

Unit 1 of the Deaf Multi-Handicapped Unit has developed a pre-vocational program called the Living Skills Program to provide work experiences and instruction in related academic concepts to meet the needs of some of its older students.

The program comprises six components as follows: homemaking; gardening, landscaping; housekeeping; general office work and instructional media; special projects and off-campus work experience.

Each student may participate in as many as four work areas during the year, rotating every nine weeks into areas that best fit individual needs as well as capabilities.

The Living Skills Program divides its daily routine in such a manner that the students work at their assigned jobs in the morning and devote the afternoon to academic work that is often based on concepts and skills related to the morning's work. Communication skills, mathematics and social awareness are stressed.

There are several unique features of this program: one is that all students are paid a training wage on an hourly basis and experience all of the situations that accompany salaries. Each student is paid each week by paycheck and has deductions representing withholding taxes and Social Security explained. Students will receive "Social Security Benefits" upon graduation to further simulate the "real thing."

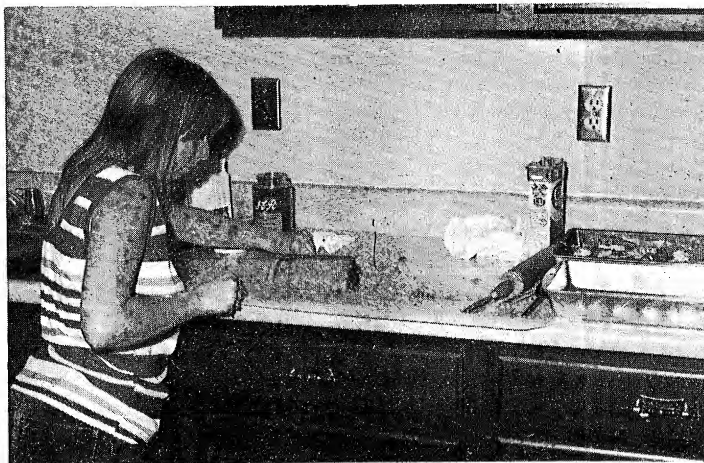

Students are taught to open savings accounts and to purchase items such as clothing, food and other things they wish to have.

The level of salary paid is contingent on the student's work habits, attitudes and quality of work. The work of the students is reviewed at regular intervals and salary raises are given as warranted. Tardiness, poor work and other unacceptable characteristics or performances will result in the same consequences that occur on the job everyday in the community.

While students rotate into different work areas during the year, all students are exposed to the basics of cooking, mending, laundering and ironing in the homemaking component throughout the year. Students attend each week on a slotting basis which enables the teacher to work with them on nearly a one-to-one basis.

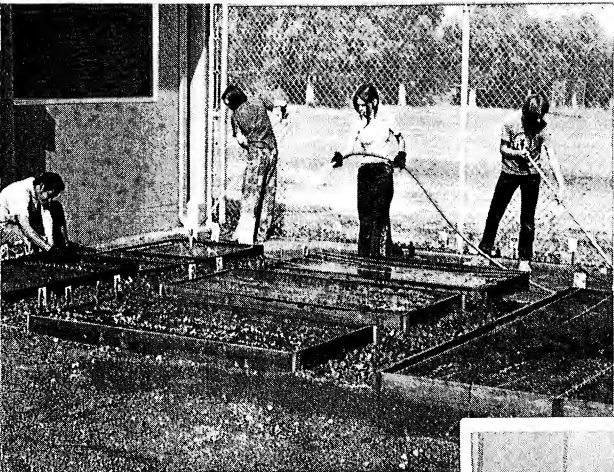

Each of the work areas develop capabilities so that students may become available for work experiences in the community. Objectives and standards are specified on an individual basis and must be achieved before community work experience placements are made.

The main thrust of the DMHU Living Skills Program is to develop job skills and work attitudes so that students may become independent and useful citizens.

Theresa Dickinson prepares delicious coffee cake.

Living Skills Program

These students take obvious pride in their gardening skills.

Bill Kranseler remakes a young child's bed in Unit I.

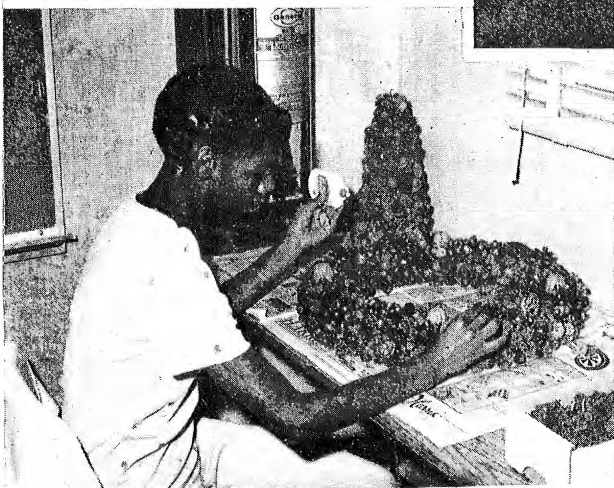

In housekeeping, Nathan Sneed demonstrates his skills.

In assembly line work, Elaine Policicchio operates an electric wire brush.

John Lee assists teachers in preparing instructional materials.

Beautiful Christmas decorations are routinely made by Jeanne Johnson.

Denise Jackson operates a thermofax copier to make a spirit master.

Senior Palms

Students Participate in Dedication of Board of Supervisors' Chambers

On Tuesday, September 23 four of the five Riverside County supervisors and a group of dignitaries dedicated the new Board of Supervisors' chambers in the County Administrative Center in Riverside. This was the first time a meeting was held in the new chambers. Larry Adams, Kevin Struxness, Cheryl Millwee, and I were chosen to go there to sing our national anthem, "The Star Spangled Banner", in sign language. An interpreter, Mr. Fertig, and a photographer, Mark Erwin, went with us. After we finished singing, we sat in the first row and listened to the supervisors and others speaking about the history of Riverside County. They next had the dedication of a "Freedom Shrine" of historic documents, and a presentation of American and Californian flags. I really felt sorry for Mr. Fertig because they spoke so fast and used many words that were difficult for him to interpret. I couldn't understand all of them. When it was over, we each got a brick from the old hotel that first housed the board chambers. Each one has a plaque of identification. It states:

From the First
Riverside County Courthouse
June 1893 to July 1904
"The Arlington Hotel"

We left for school after the 90 minute meeting. Kevin enjoyed the experience because he hopes to work in politics after his graduation.

Paulette Sottak

Frightening Experiences

The Devil's Triangle

In 1880 the British ship Atlanta sailed from Bermuda with a crew of 290 men. The weather was perfect. The blue sky and flat ocean made it a perfect day for sailing.

However the ship disappeared and no one even found a trace of it or the large crew. That must have been a horrible experience for them.

They disappeared in an area known as the Bermuda Triangle or Devil's Triangle. Many ships and planes have disappeared in this area. Some people believe it is a legend and other people believe that a strange force is responsible for the disappearance of the ships and planes. Maybe we will find out the real truth someday.

Mark Skinner

The Chamber of Horrors

We rode a London subway train that took us to Baker Street. There stood a building, Madame Tussaud's Wax Museum.

We bought our tickets and entered. I enjoyed studying the details of some well-known people like Queen Elizabeth I's clothes and even copies of her original jewels.

Then the next room contained unexpected surprises and even displays of horrors (including murder, suffocation, etc.). I remember that I was surprised to see so many wax figures of criminals and some of their victims.

One woman with an insane look, murdered another woman and her baby. The dead baby was found with a half-chewed toffee candy in his mouth. He had probably choked to death. The actual toffee piece was in that display.

Some murderers had no criminal reputations. For instance, a man was thought to be honest, kind, and respectable, but he murdered several women including his own wife and put the bodies in a wall. Then he plastered the holes shut.

The actual threatening letter, written by a famous rapist, Jack the Ripper, were also displayed there, but nobody knew how he looked so that no wax figure of him was made.

I enjoyed the Chamber of Horrors very much because I learned much about crimes.

Anne Yamaguchi

A Tragedy

A few weeks ago a drunk teenager went to another person's house. He opened a window and went inside. A child woke up and saw him. The drunk killed the child with a cord.

Then he went outside. He walked to another home and entered through a bedroom window. Another child was asleep. He woke up and saw the killer. The drunk killed the child with a thick piece of wood. Then he ran away. The next day many detectives went to the children's home and checked for clues. They found many fingerprints and tire-sandal prints. They went looking for the murderer. That afternoon a detective found the boy who committed the crimes. He lived four blocks from the children's homes. I live one block from the children's homes and it was a horrible experience.

Byron Cagle

A Scary Experience

When I was about seven years old, my father had a Volkswagen bug. My father, mother, and I went to visit my aunt Anna in Torrance. After our visit we came back on the freeway. We were in a fast lane of traffic.

Suddenly, the car in front of us stopped, then my father put on the brakes; he turned the steering wheel to the right and the car slid to the other side of the freeway. Thank goodness, there was a small curb; if not, we would have tumbled down a hill. Whew! The cars stopped for us when we slid. I was scared. That was a terrible experience.

Ethan Bernstein

The Bike Accident

My brother bought a brand new five-speed bike a few years ago. Two days later I wanted to use it to drive down a hill very fast. My brother was looking for me on my three-speed bike while he was riding uphill. I went very fast down hill and ran right into my brother. My bike's wheel was bent, and the fork was bent a little, too. My brother's bike's wheel, fork, frame, and goose neck were bent a lot. I was very shocked when I hit my brother, flew over him, and fell right on the street. I still have a little scar from it. It is on my right upper shoulder. I can see it right now.

Allon Stigall

A Tragedy

One night we went to a wedding. My friend's sister was married at a beautiful big church wedding. Many people attended. We had lots of fun at the wedding and reception. It was really a beautiful night.

The following Tuesday the bride and groom went to town and sold marijuana and heroin. They sold the drugs to a man and he called the police. The police came and arrested them for selling drugs. They were taken to jail. They are still in jail and they were arrested weeks ago. That was a terrible experience because I know them. I hope they learned a lesson.

Mila Morgan

Jaws

Everyone was talking about the movie, "Jaws," so I decided to see it. Three of my boyfriends went with me.

The movie was about a great white shark that killed several people. As the people were swimming in the water, the shark would attack and mangle or eat them. I thought that was awful! Some people became sick when they watched the movie, and they had to leave.

I knew the movie was a fake and that the shark was mechanical. However, there are some big white sharks in the ocean, and sometimes they really do kill people. It would be an awful experience to be attacked by a shark.

Donald Gray

The Lightning

Several years ago my friend, John, slept over at my house for the weekend. At that time, the heavy rain poured. At night I looked outside the window. Suddenly, the lightning came right here by the window. I was scared and nervous. My imagination ran wild. Was the lightning going to hit my house soon? I called John to watch, to see if it would happen again. We watched through the window. Again the lightning came at the same place that I saw it at first. John and I were scared, and we moved back from the window. After a while, I was curious to see it more. I watched outside through the window again. The lightning came several more times. It seemed more mysterious.

I wouldn't watch any more. Then nothing happened. I'm glad that I stayed alive.

Don Lee Hanaumi

A Horrible Experience

The past summer I read in the newspaper about the problems in Casa Blanca, our Mexican community. There was fighting and two boys shot at people's houses. Many windows were broken. A lot of the trouble was on Madison and Jefferson.

When the boys started shooting, someone called the police. The boys saw the police and shot at them. One policeman received an eye injury. The boys ran to find a hiding place. The police called for the police helicopter. The helicopter found the boys hiding in a cornfield. This was a horrible experience for me because I live nearby and I am Mexican.

Fred Martinez

The Dune Buggy

Last year I got into an accident in my cousin's dune buggy. I never had ridden before.

When the sun rose, my cousin, his friend, my sister, and I rode in the dune buggy while some of my cousin's friends, three boys, rode on their motorcycles. The first time I rode I was scared to ride on the dune buggy. Then later I was not scared anymore. My cousin's friend, a girl, who wanted to drive the dune buggy, had ridden before. We rode with her again. Later I couldn't believe that we got turned over. I was really surprised. I thought I would be dead, or I would get hurt badly. When it turned over, I crawled out the window. Everyone was all right except one girl who hurt her left hand. It happened when the dune buggy top rested on her hand. I was happy that I was all right.

Jill Taniguchi

Mosquito Bites

Two summers ago my family and I went to South Dakota. One night I slept outside in my tent. I slept for a while, and then I awoke because I itched all over. I stayed awake all night and when the morning came, I went into the house to take a bath. Then I put rubbing alcohol on my bites to stop the itching. It worked. Later I asked my brother to count my mosquito bites. He told me that I had twenty-one. That was a horrible experience that I will always remember.

Mike Schwan

Vocational Palms

Homemaking

High School has finally pushed Junior High out of the homemaking classes due to the increased size of the High School. Now students will be required to have homemaking one year during their freshman or sophomore year and may take a second year as an elective during their junior or senior year. There is one class for freshman boys called Bachelor Survival. It is given for one semester only. The boys learn consumer education, nutrition, cooking and sewing. Their first sewing project is a chef's apron to be followed by a T-shirt.

Their favorite area seems to be cooking. Those good or bad smells coming out of the kitchen on Thursdays are a result of their efforts. The following is a recipe for coffee cake that disappears almost as quickly as it is baked.

COFFEE CAKE

$\frac{3}{4}$ cup sugar	$1\frac{1}{2}$ cup sifted flour
$\frac{1}{4}$ cup shortening	2 teaspoons baking powder
1 egg	
$\frac{1}{2}$ cup milk	

Mix sugar and shortening together. Add egg and mix well. Stir in milk and then add the dry ingredients. Mix well and then pour batter into a greased square cake pan. Sprinkle with topping. Bake at 375 for 30 minutes.

Topping

$\frac{1}{4}$ cup brown sugar
2 tablespoons sugar
1 teaspoon cinnamon (nuts or coconut if available)

General Shop

This year there has been a change in our general shop format. Before classes were mostly Junior High students; this year the classes are all High School boys and girls. The boys have all had some previous shop experience and are beginning on more advanced projects.

The girls are all new to the shop and are learning new skills as well as vocabulary and safety rules important when working with tools and wood.

Driver Training

Classes are coming along well this year. The beautiful new driver training car arrived on October 1. It is a new Oldsmobile, a four door, cream colored, sedan with an automatic transmission and dual controls. It also has an instant kill button for emergencies which stops the car immediately. Mr. Russell and the students were happy to see it arrive.

This is a very important class where students learn to be safe and legal drivers and begin to realize the responsibilities of the person behind the wheel. Remember 55 miles per hour is the legal speed limit.

Cabinet - Upholstery Shop

The boys in this shop are busy working on dorm furniture, Indian fair projects and Christmas presents for relatives and friends. Only the best projects will be selected to go to the fair in February; hopefully returning with ribbons. Advanced students include Jack Alps, Scott Andersen, Ethan Bernstein, Matthew Brandfield, Carl Chavez and Ruben Loera who can work on larger and more difficult projects. In this shop the boys gain experience that will be useful throughout their lives. Mr. Stephenson spent the summer upholstering a sofa for his wife. It is his favorite hobby next to fishing.

Autobody - Metal Shop

Production is the key word in this shop. Several boys are back from last year with experience that will help keep up a working pace. These students include Jack Alps, Chuck Ericksen, Jimmy Hanna, Fred Herrera, La Darrell Jones and Allon Stigall.

The boys have been working on Allon Stigall's Chevrolet Impala and Dana Borgatti's van. The work is progressing well and both jobs are near completion. Through the work and cooperation of the students 30 cars were completed last year.

MY SUMMER VACATION

My family went to Sea World in San Diego in July. We saw a lobster, some different shells, crabs and many large fish. I fed some dolphins. We saw a large whale jump twenty feet out of the water. Sea World was a lot of fun.

Jeff Howard
Class E

On August 1st I had a birthday party at home. We ate candy, cake and ice cream. We had party hats and favors. All of us went for a swim in the pool. Our party was lots of fun.

Robin Fishburn
Class E

My family went to Lake Mead. My sister and I went water skiing. My father, grandfather and brother caught many fish. I went swimming. I love Lake Mead.

July 7th I had a birthday party at home. My friends came to my house. We ate cake, ice cream and candy. I had fun.

Lesa Gammon
Class E

My mother, father and I went to Hawaii. I went swimming in the ocean. Wow! In Hawaii the wind and the water are very warm.

Tim Manfull
Class H

My brother and I played basketball many times during summer vacation.

I rode my friend's motorcycle. I had an accident on the motorcycle. I fell and hurt myself.

I joined a football team last July. My team's name is the Raiders. My team will play football games on Saturdays this fall.

Gabriel Razo
Class H

I went to Oregon last summer. I visited a camp. The camp's name was "Taloali". The boys, girls and I rode on inner tubes in the river. The river was seven miles long. The waves in the river were terrible, but I was not afraid.

Tina Parshall

STARTING SCHOOL IS . . .

*Exciting !
Butterflies in your stomach
Friends
New clothes
Intramural sports
Missing your dog
A new girl
Rules !!!!!
New roomates
A haircut !*

Class F

Starting school is sad because it means summer is over.

Brenda Murray
Class G

Starting school is wonderful, exciting and fun.

Samantha Bailey
Class G

Having a new teacher in Junior High School.

Mrs. Diane Olson is a new teacher in Junior High School. She taught in Elementary School at CSDR before moving to Junior High School this year. She is teaching language and social studies. She likes Junior High School very, very much.

Mrs. Olson was born in South Dakota. She went to Augustana College in South Dakota and California State University, Northridge.

Mrs. Olson went to Europe last summer. She enjoys reading and music. She has a poodle.

Starting school is getting together with my friends and playing sports.

Criss Pope
Class G

THE FIRST DAY OF SCHOOL

On Sunday morning I had butterflies in my stomach. I wanted to go to school fast. I left home at 2:00. I arrived at school at 2:30. I asked a man where my room was. He said my room was 5.

Monday morning I worried a lot. I found out Mrs. Bradshaw was my teacher. My first day in Junior High School was happy.

Alban Branton
Class A

On my first day in Junior High School I was nervous and surprised. First I went to the office. I thought I would go to Elementary School but the office secretary gave my father a paper. The paper said Petra Horn, Junior High School. I was so surprised and nervous. I was VERRRY happy.

Petra Horn
Class A

I wasn't excited about moving to Junior High School because one boy explained about the Junior High School rules and I had butterflies in my stomach. My principal told me to go to Class A with Mrs. Bradshaw. I was so unhappy. I thought Class A was a baby class. When

we arrived at our room Mrs. Bradshaw told me that A did not mean baby class. She said classes A-E are the younger classes and it did not matter which class letter you were. I felt better.

Barry Katz
Class A

On the first day of school I knew that Cindy would be in my class, but I didn't know the names of the other kids in my class. I went into the library. I was nervous. My hands and face were hot and sweaty. Mrs. Batchelder told me that I was in Class F. I was right because Cindy was in my class. Later I was not nervous anymore. I was happy.

Betsi Turley
Class F

I felt a little nervous inside on the first day of school. I saw many new people. I felt stupid around the other people. I missed my old friends and my family. When I found out I was in Class F, I was happy. Now I am so happy to be back in school and I hope I stay here all through my school days.

Rick Rogers
Class F

Sports Events

1975 CSDR Football

Coach Pete Lanzi and his assistants welcomed twenty-nine able candidates to launch the 1975 football season with the usual positive optimistic view of an interesting season. Although the Cubs lost some key players via graduation, Lanzi came up with ample players to replace those vacancies. The coaches are attempting to mold the players into a team with some calibre that could give all of the opponents trouble on the field.

Coming back to the football squad wearing the colors of the fighting Cubs are Pat McGuire, Robert Woodard, Kevin Struxness, John Roberts, Ken Roberts, Mark Aguirre, Larry Adams, Edward Frazer, Ron Shely, Harry Whitney, Sylvester Crowe, La Darrell Jones, and Dale Secor. Moving up from a very formidable Frosh/Soph team of last year are John Miranda, Danny Everage, John Crouch, Guy Gomez, Robert West, Don Lee Hanaumi, Norman Long, Mickey Olguin, and Jose Hernandez. Newcomers to the campus are Orlando Lugo and Francisco Aceves.

Once more, the fighting Cubs are warring in the tough Arrowhead League and are expecting to fight it out with Sherman, La Verne Lutheran, Webb, Aquinas, Big Bear, and the powerful Notre Dame. Lutheran High School in Orange had to cancel their game with us due to the fact they didn't have enough boys to field a team. The Cubs lost the opener to San Jacinto, 19-6, and a spirited 41-0 loss to Notre Dame who is presently ranked second in the 1-A Class in Southern

California. The second league game was with the team from Big Bear and the final score of that game read 27-18. CSDR's three touchdowns in that game were scored by Harry Whitney, John Roberts, and Orlando Lugo.

Girls' Volleyball

The CSDR girls' volleyball teams are well into an exciting season of league play. This year the the Cubs are in a challenging league, and the games have been keenly competitive. Our junior varsity team currently posts a 1-4 league record, with a win over LaVerne Lutheran and losses to Orange Lutheran, Notre Dame, Big Bear, and Sherman. The varsity squad is now 2-3, having beaten both Lutheran schools, and having bowed to Notre Dame, Big Bear, and Sherman in well-played matches.

The members of this year's junior varsity squad are: Nidia Carrillo, Lori Fisher, Deri Lyn Gough, Patti Heynen, Lori Jones, Ann Kassel, Vida Longoria, Cheryl Millwee (captain), Cynthia Sadoski, Sandra Thrapp, and Kathy Waters. The varsity team consists of: Helen Beckstead, Bettie Cullen, Lorie Droutsas, Mary Droutsas, Martha Lopez, Paulette Sottak, and Jill Taniguchi (captain). Managers for the teams are Susie Boudreau and Cathy Bartlett, and the scorekeeper is Kirstin Zimmer.

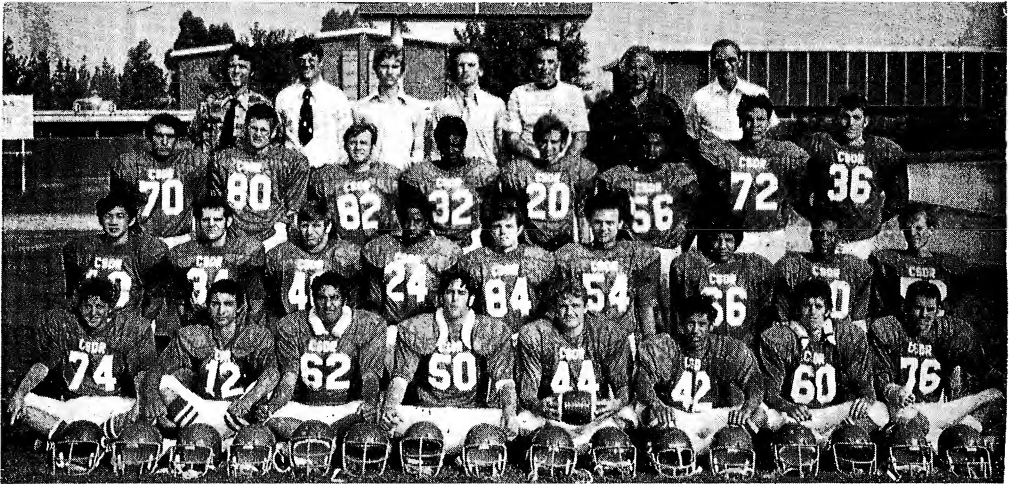

Miss Emerick is the head coach this year, assisted by Mr. Fertig. Both coaches feel that the Cubs' record should improve as the season continues, and are proud of the teamwork and good sportsmanship shown by our girls.

CSDR VARSITY FOOTBALL SCHEDULE — 1975

DAY DATE	OPPONENT	PLACE	TIME
Thurs., Sept. 25	San Jacinto High School (CSDR 6, San Jacinto 19)	San Jacinto	8:00 p.m.
Thurs., Oct. 9	Notre Dame High School* (CSDR 0, Notre Dame 41)	UCR	8:00 p.m.
Fri., Oct. 17	Big Bear High School* (CSDR 18, Big Bear 27)	CSDR	3:00 p.m.
Fri., Oct. 24	Webb School of California* (CSDR 6, Webb 24)	Webb	3:00 p.m.
Sat., Nov. 1	Lutheran High School, La Verne* (Homecoming)	CSDR	2:00 p.m.
Fri., Nov. 7	Sherman Indian High School*	CSDR	3:00 p.m.
Thurs., Nov. 13	Aquinas High School*	Aquinas	8:00 p.m.

*Arrowhead League Games

B. Cullen; Rick Fertig, Assistant Coach

Our first day at Camp.

With trophies, pennants, and staff.

Striking a pose.

Trophies

for Our

Cheerleaders

On July 20th I went to a cheerleader camp at Long Beach University with five other girls Jo Ellen Ridley, Bernadette Phillips, Chela Quinteros, Carmella Quinteros and Nanette Schelly. Our two sponsors, Mrs. Morgan and Mrs. Walters, also went.

Each day we had to learn several new cheers. We practiced and practiced. Each afternoon one of the staff members evaluated us. He wrote down the mistakes we made so we could improve. We won ribbons for our cheers.

Each evening the hearing girls asked us how to fingerspell their names. We taught them. They became interested in the sign language and kept asking for more signs.

We learned how to prepare for a pep rally. The staff divided us into two groups. One group was called Cowboys and the other Indians. We invented cheers, skits, and did many other things.

On our last day awards were given out. Our Varsity Cheerleaders won a trophy for 3rd place. Our Junior Varsity Cheerleaders won a trophy for 3rd place, too. The Junior Varsity Cheerleaders also won another trophy for the most improved team and we were pleased.

Then the representatives from each school were asked which school was the most friendly and had the best spirit. They voted for CSDR. WOW! We were so happy! We got a Spirit Pennant, and we all were extremely proud.

Susan Parks

Residence Hall News

Sierra I

One of the most exciting events which occurred during the first month of school was the area trip to the Los Angeles County Fair. One ride which Brian Denton, Tracy Savage, and Mitch Darling found to be particularly thrilling was the giant slide — a fast descent over a series of hair-raising bumps.

In addition to the trip to the fair, the Sierra I boys have been busy participating in the dormitory programs such as working in the woodshop room and operating their own Lionel electric railroad.

Sierra II

This year we would like to welcome several newcomers to our dormitory. Lloyd May, David Schmidt, Nathaniel Sneed, and Eugene Walker have all transferred to us from the Whitneys. Ronnie Brown is a newcomer to Sierra II, but not to the Unit. Helping the boys adjust to life in their new dormitory are the oldtimers from last year: Pat Huddleston, Danny Peterson, Lee Trogden, Phillip Winney and Jimmy Nichols.

Sierra III

Sierra III is proud to have Andrew Johnston with us this year. He comes to us from the Whitneys. We have been very busy in the short time since school started. We have gone to the Los Angeles County Fair as well as on some trips to special places like the Dairy Queen, Gemco, and various restaurants for reward trips.

Ricky Garrett and John Lee have been involved in our photography program and have developed some fantastic pictures to date. They are on display in our living room.

Sierra IV

Sierra IV has fifteen girls this year. We welcome two new girls, Leanne Cole who came to us from the Whitneys and Candy Steele from Fresno.

Everyone enjoyed our trip to the Los Angeles County Fair. We wished we had more time to spend there because there was so much to do. We especially enjoyed the hobby and craft exhibits and of course, a sampling of a wide variety of foods.

Whitney I

Ten happy and tanned faces entered Whitney I after the summer. Our six returning boys, Kenneth Burns, Randy Dinsmore, Charles DuPont, Stephen Johnson, Troy Matias, and Timothy Sandeen were all surprised to see our beautifully painted dormitory. All agreed the new yellow walls really brighten things up!

Whitney II

Whitney II is happy to welcome David Chavarria, from Canyon Country, Timothy Clark, from Perris, David Bishop, from Santa Ana, and Richard Ralphs, who previously was a day student and is now a residential student.

We celebrated two birthdays during September, Timothy Clark's and Richard Ralphs'. Another event during this month was a trip to the Los Angeles County Fair in Pomona. The boys enjoyed seeing the exhibits and riding on the various amusement rides.

Whitney III

Whitney III welcomes four new boys to school. Their names are: Robert Albright, Johnny Duckworth, Michael Ferrantelli, and Brent Julian.

Many stories about the recent summer vacation were shared in the residence hall. Kevin Bauer went to two special camps. Kermit Gratts' family bought a boat and had lots of fun with it. Bryan Gauthier went to see the movie "Jaws". James Meichtry played at the beach near his home almost everyday. Robert Nyiradi spent most of his time swimming in the family pool.

Whitney IV

There are two new girls in Whitney IV, Diane Higgs from San Diego and Shana Wilbert from San Gabriel. We wish to extend them a hearty welcome to our residence hall. Events are happening fast as we have already enjoyed a picnic here on campus and celebrated Eugina Fields' birthday with the Whitney III boys. We have also made trips to the Los Angeles County Fair and to the Jolly Kone restaurant.

Pachappa I

The summer sun contributed some very fine swimming weather for the Pachappa I boys. They seemed to enjoy it as they swam and splashed in our school's swimming pool.

The boys are all excited about our sports program and anticipate having a great deal of fun enjoying various residence hall activities such as football, baseball, and other competitive sports.

All of the boys are busy competing to see which room is the best. It is going to be a very tight race. Wouldn't it be something if all of them turned out to be best?

Pachappa II

Pachappa II welcomes five new boys. They are Nicholas Green from Long Beach, Dennis Crivelli from Long Beach, John Knight from North Hollywood, Fred Weiss from Los Angeles and Kenneth Mayes from Bakersfield.

Here are the tales of some boys' summer experiences.

George Selevos flew to Greece with his mother and oldest brother to visit his grandparents. He stayed in Athens for two months, touring the Acropolis, Parthenon and other interesting places. Moreover, he went to Corfu Island and a few other beautiful islands.

It is nice to have three brothers in our residence hall. They are David, Norman and Fred Weiss. They visited Marineland and Knotts Berry Farm. They were learning how to play tennis and also went swimming at the park. They had a fun-filled summer vacation.

Alex Zamorez was excited about becoming an uncle because his brother's wife had a baby girl.

Pachappa III

Anticipating an interesting and eventful school year, the residents of Pachappa III wish to express their joy and happiness at being re-united with their many friends and fellow students. During the long and exciting summer, the students enjoyed a variety of fun-filled activities, with Joey Snodgrass spending part of his vacation at a YMCA Deaf Camp, and Samantha Asbridge water skiing and also attending camp.

Pachappa III would like to offer a warm greeting to Hector Monsibais, a new student to CSDR. Hector is ten years old,

and resides in Pomona. In addition, the welcome mat is extended to Cynthia Harper, Jeannie Zeitler, and David Cadwell, who come to us from the DMHU.

Rubidoux I

All of the boys in Rubidoux I appeared eager and happy to return to school this year. Rubidoux I welcomes five new boys to the residence hall. They are: Victor Torres who is 13 years old and lives in Santa Barbara; Roy Oliver 13 years old from Los Angeles; Michael Robin 12 years old from Anaheim; David Call 13 years old from Anaheim; and Adam Patterson from El Monte. Newton Gray, Timothy Price, Louis Parker, and John Maucere moved from Pachappa I to Rubidoux I.

Summer vacation was lots of fun for Michael Robin who spent his vacation in Las Vegas, Arizona, and Colorado with his parents. Glenn Giudice had a most memorable summer: fishing, boating, and camping at Lake Tahoe. Louis Parker spent most of his summer vacation in Virginia with his grandparents. Edward Broeker and Victor Torres both vacationed in Mexico this summer.

Rubidoux II

Rubidoux II welcomes eight newcomers to CSDR. They are: Donna Washington and Kathy Gomez from Los Angeles, Doreen Higgs from Edgemont, Heidi Blackwell from Wilmington, Bessie DeVenny from Lawndale, Jan Lepisto from Chino, Shelly Fishburn from Carson, and Monica Moreno from Glendale.

The girls had exciting vacations. Sandy Valenzuela went to New Mexico, Sherry Gibson went to Texas, Shawna Ivy and Deanne Lehart visited Disneyland and Sonia Chadwick learned how to swim!

September was a busy month for the dorm. The girls had a good time at the Pomona Fair and Toni Bravo and Kim Causey both had birthdays. The Rubidoux II storytelling trips to the Riverside library began with Anna Rodriguez, Anna Gonzales and Monica Moreno. Everyone is looking forward to an exciting and enjoyable year!

Rubidoux III

After a busy summer the girls in Rubidoux III are looking forward to the new school year. Misty Loeffler and April Agnew went to YWCA camp this summer and Elizabeth Jurado went to Girl Scout camp.

We've started the year with plans for many activities. The girls all went to Los Angeles County Fair and really enjoyed themselves. We've even had a birthday to celebrate. A very happy birthday to Sherri Roberts.

We have two new girls to welcome to Rubidoux III, Josephine Archuleta and Kelly Jenkins. We are all looking forward to a very good year.

Lassen I

We welcome back all the Lassen I boys from their long summer vacation. All of them enjoyed their leisure activities. Chris Chisholm and his family traveled back East to visit their relatives and Oscar Sanchez and his family flew to Mexico City.

Two boys in Lassen I, David Reese and David Tucker celebrated their birthday recently.

This fall, eleven boys from Lassen I are playing junior varsity football and we are going to cheer for them. Good luck, boys!

Lassen II

This is a year of changes for Lassen II. Most of the students are in High School and many are new to CSDR. We welcome the following boys to our residence hall. Leonard Clark is a freshman and attended McKinley JHS at Pasadena. He enjoys baseball and basketball. Rodrigo Fernandez is a freshman and attended Sunset JHS in Lamont. His interests are football, motorbikes, camping and hiking. David Gray is a sophomore and attended Hale JHS in San Diego. He enjoys bicycling, dirt bicycling, and motocross motorcycle riding. Daniel Nunez is a freshman and attended Chris Jefferson School in San Luis Obispo. David Perlman is a freshman and attended the Mary E. Bennett School in Los Angeles, James Madison School in Santa Ana, and Downey Selaco JHS. He enjoys intramural activities, and is a movie star fan. Daniel Smith is a freshman and attended McKinley JHS in Pasadena. He likes to play badminton.

Francisco Huertado and Miguel Lara are also new in Lassen II and attend school at DMHU.

Robert Guthrie was chess champion at the Burbank Park and Recreation Center. He won first place in checkers at the camp for the deaf in San Bernardino. Congratulations, Robert!

Palomar I

Scott Andersen and his family motored to the Colorado River last summer for a week's vacation. They met friends there and enjoyed boat rides on the river. Scott had good luck fishing.

Kevin Struxness had much to see during his two weeks vacation this summer when he traveled with the Gough family to Baja, California. They drove almost 3000 miles and visited many interesting places. They noted that the customs and culture of Mexico are very different from those of the United States. They made stops along the way and caught many strange fish while snorkeling. They had fun!

David Smith also went to Mexico. He spent two weeks in San Quintin, Baja visiting his grandmother. He reports that he really had a fun time camping, fishing and swimming at the beach.

James Hanna and his parents traveled through several different states recently when they went to Dallas, Texas to visit some friends. After staying there for one month they went on to New Mexico. James and his friends in New Mexico hiked high into the mountains where the snow never melts. It was strange to see snow in the middle of the summer!

Palomar II

Palomar II started the new year by electing a Student Council. They are: President, John Miranda; Vice-President, Fred Herrera; Secretary, Don Hanaumi; Treasurer, Michael Olguin and Sergeant-At-Arms, John Roberts.

Our residence hall has become the school home of two new boys, Trevor Paugh and Francisco Aceves. Trevor lives in Riverside and Francisco lives in Lamont, California.

Several of our students spent part of the summer in the great outdoors. Carl Bartlett went to a camp for the deaf in the High Sierras for a week. Then he travelled to Yosemite National Park with other boys and girls. They slept high on a mountain top and swam in a hot spring.

Mark Thomas, Paul Hughes, and classmate Francisco Melendez also travelled to Yosemite for five days of swimming and camping.

Palomar III

Palomar III welcomes 22 students to our dormitory from Lassen I and other schools. We also have three new day students. Rob Jewell came to us from Orange County. He is quite a guitar player and has entertained the area several times.

As for vacations last summer, everyone seemed to have had a good time although they missed their friends and were happy to be back.

Michael Lutz had a great time for four weeks at a YMCA camp which also included girls. They were in the mountains, and did a lot of backpacking. There was plenty of good fishing, and a good sized river to swim in.

Michael Peterson went with his brother to visit another brother living in Salinas. They stayed for four days and had so much fun they made another trip later.

Donald Nevins spent a lot of time camping last summer. Part of the time was spent at Arrowhead, and two weeks was spent near San Diego. From there he and his family visited in Mexico.

Pedro Gonzales spent part of his summer visiting and going to school at Berkeley. Carl Stephenson went to several motorcycle races on his Honda 500 that he bought last summer.

Shasta I

Shasta I elected as their student council officers for 1975-76: Paulette Sottak, President; Debra Manker, Vice President; Anne Yamaguchi, Secretary; Ann Kassel, Treasurer; Sandra Thrapp, Sergeant-at-Arms. It looks like a very lively group of directors.

Ruby Poon was a busy girl this summer between traveling and learning new skills. One of her accomplishments was shooting at a rifle range, and enjoying hunting with her brother. In August she traveled with her family to San Francisco, Oregon, Washington, and Canada, visiting friends, family and sight-seeing along the way. Debbie Higgins journeyed to Iowa with her family, spending two weeks there. She enjoyed traveling through seven states and noting the changes in topography and climate.

Debra Manker went to visit her father in Petaluma, whom she hadn't seen for many years—she stayed almost four

months. Debra found the motorcycle racing at the Sonoma Fair very thrilling; especially exciting because it was a dirt track and the motors had no brakes.

Shasta II

Shasta II has four new girls and two previous day students now living in the residence hall: They are: Barbara Chavez,

San Gabriel; Jeri Whitton, Bakersfield; Tina Louie, Los Angeles; Lai Liu, Los Angeles, Julie Lewis, Riverside. We hope they will enjoy being a member of our residence hall as much as we enjoy having them.

Lori Jones and her family had a fantastic three days sailing off the coast of California. After that, Lori boarded a plane from beautiful downtown Burbank to visit her friend Libby Hall in San Diego. Fun! Fun! Fun!

Jo Ridley and her parents enjoyed a wonderful vacation in Oahu, Hawaii. Jo said it was too expensive for her. She says that she prefers California. After leaving Hawaii, she spent two weeks at Brigham Young University in a workshop for the deaf. To top it off, Jo was involved in a cheerleader camp.

Shasta IV

Shasta IV girls have spent an active summer, involving a lot of travel and visits to southland amusement parks. Tina Parshall was lucky enough to fly to Salem, Oregon to attend Camp Taloali, where she made many new acquaintances. Lesa Gammon went water skiing at Lake Miller-ton; Colleen Shaw visited Lake Tahoe and Baja, California; Nancy Herrera went fishing at Dana Point, Lake Elsinore and Huntington Beach; Debra Martinez spent time at Magic Mountain; Julie Agnew at Knott's Berry Farm, and Karen Shely at the Queen Mary.

The entire residence hall traveled to the L.A. County Fair in Pomona, where the girls spent their time attempting to win at the carnival games and riding scary rides. Everyone returned tired, but happy; some queasy from the rides, and a few with prizes in hand.

So much for activities. A sincere welcome is extended to Shasta IV girls new to CSDR: Samantha Bailey, Robin Fishburn, Lesa Gammon, Petra Horn, and Lisa Lynn, who attended school here previously.
